Dear Sir:

Pursuant to 37 §§ CFR 1.821(f) and (g), the undersigned hereby states that content of the paper (written) copy of the Sequence Listing submitted concurrently herewith is identical to the content of the Sequence Listing recorded in the computer readable form (diskette) submitted in great-grandparent application U.S. Patent Application No. 09/611,234, filed on July 3, 2002, and this submission does not include any new matter that goes beyond the content of the application as filed. Applicants have submitted herewith a request that the last-filed computer readable form of the Sequence Listing submitted in great-grandparent application U.S. Patent Application No. 09/611,234 be used in the instant application in lieu of filing a duplicate computer readable form of the Sequence Listing in the instant application.
